

THE INTERIOR FIT OUT & REFURBISHMENT SPECIALISTS

THE GRID

TMP Interiors were appointed by Howard Russell Construction Limited, a long-standing client who value working with TMP Interiors.

With extensive experience in understanding and working with the client over many years, TMP Interiors were appointed for the interiors package.

This package included Partitioning and Dry-lining Systems, Suspended Ceilings, Joinery and Soft Floor Finishes.

Overall, the project comprised 9 individual light industrial units offering between 5867 to 39,560 sq ft of office and industrial warehouse accommodation, all situated in a prime location in Enfield.

Providing the comprehensive package of interior works, reduces...
